

DR. MED. CHRISTOPH GANSS

PROFILE

Place of Birth: Heidelberg, Germany
 Marital Status: married, two children
 Nationality: German

EDUCATION

1985 General Qualification for University Entrance, English Institute, Heidelberg, Germany
 1981-1982 Student Exchange, Norwood High School, Adelaide, Australia

ACADEMIC STUDIES

1985-1992 Human Medicine at the Medical Faculties of the Universities of Heidelberg and Frankfurt, Germany
 1991-1992 Practical Year at the Department of Surgery of the University of Heidelberg, Germany, optional subject: Orthopaedics
 1992 Medical Examination at the Medical Faculty of the University of Heidelberg, Germany

CLINICAL ACTIVITIES

1993-1994 First Year Resident at the Department of Cardiovascular Surgery at the Asklepios Hospital St. Georg, Hamburg, Germany, and at the Practice of Dr Hoffmann and Dr Kaiser in Großhansdorf, near Hamburg, with operational focus on Arthroscopy and Knee Replacement Surgery
 1994 License to practice Medicine
 1994-1995 Second Year Resident in Bournemouth und Pontefract, England, in the field of Traumatology / Orthopedics
 1995 PhD (Doctor of Medicine) at the Ruperto Carola University of Heidelberg, Germany
 1995-1996 Resident Physician of Surgery at the Community Hospital in Seesen, Germany
 1996-1998 Resident Physician of Surgery at the Hegau-Bodensee-Hochrhein-Kliniken GmbH in Singen (Teaching Hospital of the

University of Freiburg), Germany

INDUSTRY

Several years of employment at **Ontex Health Care GmbH**.

Since its founding in September 2003, Managing Partner of TICEBA GmbH in Heidelberg, Germany, the world's first stem cell bank for adult stem cells from the skin.

LECTURE ACTIVITIES AT CONGRESSES

2008

- 17.07.2008 Lecture for Diabetes Support Group „Filderkreis“
 „Stammzellen“, Germany
- 20.07.2008 21. Münchner Fortbildungswochen, Munich, Germany
 „Stammzellen der Haut“
- 09.10.2008 Gesundheitsforum Baden-Württemberg, Stuttgart, Germany
 „Regenerative Biomaterialien“
 „Dermale pluripotente Stammzellen – Neue Option in Forschung
 und Therapie“
- 11.-13.12.2008 World Congress on Menopause, Vienna, Austria
 „Dermale pluripotente Stammzellen – Neue Option in Forschung
 und Therapie“

2009

- 04.-06.06.2009 A4M Iberian Congress 2009 – The Annual Iberian Congress on
 Anti-Aging Medicine and Biomedical Technologies, Algarve,
 Portugal
 “Autologous pluripotent mesenchymal stem cells from the skin”
- 15.-17.10.2009 European Congress on Anti-Aging & Aesthetic Medicine, Mainz,
 Germany
 “Autologous cell grafting with stem cell enriched fibroblasts for
 facial skin rejuvenation”
- 03.11.2009 43. Medizinische Woche, Baden-Baden, Germany
 Stem cells – A new opportunity“
- 04.-06.11.2009 MECAAA – 2. Middle East Congress on Age, Aging & Alzheimer,
 Tripoli, Libya
 “Stem cells – A new opportunity”
 “Autologous cell grafting with stem cell enriched fibroblasts for
 facial skin rejuvenation”
- 27.-29.11.2009 SAAM, Dubai, United Arab Emirates
 „Autologous pluripotent mesenchymal stem cells from the skin”
- 03.-05.12.2009 World Congress on Menopause, Vienna, Austria
 „Autologous pluripotent mesenchymal stem cells from the skin“

2010

- 08.-11.01.2010 IMCAS – International Master Course on Aging Skin, Paris,
 France
 „Autologous cell grafting with stem cell enriched fibroblasts for
 facial skin rejuvenation“
 “Autologous pluripotent mesenchymal stem cells from the skin”
- 18.-20.03.2010 ECOPRAM – European Congress on Preventative Regenerative
 and Anti-Aging Medicine, Milan, Italy
 “Autologous cell grafting with stem cell enriched fibroblasts for
 facial skin rejuvenation“
- 08.-10.04.2010 AMWC – Anti-Aging Medicine World Congress & MediSpa,
 Monaco, Principality of Monaco

	“Autologous pluripotent mesenchymal stem cells from the skin”
17.-19.09.2010	EMAA – European Congress in Aesthetic Dermatology & Surgery Anti-Aging Medicine, Paris, France Presentation on adult stem cells from the skin
24.-26.09.2010	International Congress on Aesthetic and Anti-Aging Medicine, Warsaw, Poland Presentation on adult stem cells from the skin
06.-09.10.2010	MEFS – Middle East Fertility Society, Damascus, Syria Presentation on adult stem cells from the skin
26.-27.11.2010	ICAAM & Medi Spa Middle East, Dubai, United Arab Emirates Presentation on adult stem cells from the skin
02.-05.12.2010	10. International Live Symposium, Darmstadt, Germany Presentation on adult stem cells from the skin
09.-11.12.2010	World Congress on Menopause, Vienna, Austria Presentation on adult stem cells from the skin
2011	
24.-26.03.2011	AMWC – Anti-Aging Medicine World Congress & MediSpa, Monaco, Principality of Monaco “Skin rejuvenation in the face with autologous cells”
30.09.-01.10.2011	EMAA – European Congress in Aesthetic Dermatology & Surgery Anti-Aging Medicine, Paris, France “Autologous pluripotent mesenchymal stem cells from the skin”
2012	
20.-21.01.2012	ICAD - International Congress of Aesthetic Dermatology, Bangkok, Thailand "Autologous pluripotent mesenchymal stem cells from the skin: Opportunities for science and clinical applications as a new class of therapies, prevention and medical aesthetics"
06.03.-10.03.2012	CeBIT - Centrum für Büroautomation, Informationstechnologie und Telekommunikation, Hannover, Germany "Stammzellen aus der Haut - Neue Möglichkeiten für Vorsorge und Therapie"
29.03-31.03.2012	AMWC - Anti-Aging Medicine World Congress & Medispa, Monte Carlo, Principality of Monaco "Autologous pluripotent mesenchymal stem cells from the skin"
29.05.-31.05.2012	ECOPRAM - European Congress on Preventive, Regenerative and Anti-Aging Medicine, Istanbul, Turkey "Autologous pluripotent mesenchymal stem cells from the skin"
18.10-20.10.2012	Shanghai World Congress on Anti-Aging Medicine and Regenerative Biomedical Technologies Expo, Shanghai, China: "Autologous pluripotent mesenchymal stem cells from the skin - opportunities for science and clinic for a new class of therapies, prevention and medical aesthetics"

2013

- 04.04-06.04.2013 Anti-Aging Medicine World Congress & Medispa (AMWC), Monte Carlo, Principality of Monaco
 "Regenerative Potential of ABCB5 positive mesenchymal stem cells"
- 06.09-08.09.2013 5th International Bangkok Congress on Anti-Aging & Regenerative Medicine (BCAARM), Bangkok Convention Centre at CentralWorld, Thailand.
 "Autologous Pluripotent Mesenchymal Stem Cells From The Skin"
- 18.10-20.10.2013 IMCAS China 2013 in Shanghai, China.
 "Autologous Pluripotent Mesenchymal Stem Cells From The Skin"

2014

- 03.04-05.04.2014 Anti-Aging Medicine World Congress (AMWC), Monte Carlo, Principality of Monaco
 "Cutting Edge Technology For The Clinic Of A New Class Of Therapies & Prevention"
- 25.04-27.04.2014 2nd Annual Gender Aesthetic Congress Asia 2014, Singapore
 "Stem Cell Banking and It's Application in Aesthetics Autologous Pluripotent Mesenchymal Stem Cells From The Skin"
- 31.05.-01.06.2014 2nd AMWC EE - AMWC Eastern Europe 2014, Moskau,
 "Autologous pluripotent mesenchymal stem cells from the skin"
- 01.08.-03.08.2014 IMCAS Asia 2014, Hong Kong
 "Autologous pluripotent mesenchymal stem cells from the skin"
- 25.09.-27.09.2014 AMAC Aesthetics Asia 2014, Singapur
 "Autologous pluripotent mesenchymal stem cells from the skin"
- 05.12.-06.12.2014 International Congress in Aesthetics, Anti-Aging Medicine & Medical Spa (ICAAM) Dubai
 "Autologous pluripotent mesenchymal stem cells from the skin".

2015

26.03 – 28.03.2015

Anti-Aging Medicine World Congress (AMWC), Monte Carlo,
Principality of Monaco

“Comparison: fat derived versus skin derived mesenchymal stem
cells”

“ABC5 positive stem cells for wound healing: the path into the
patient”

Heidelberg, May 2017
